

Skill: Client Email Replies for Studio Pixel

This Skill helps a freelance graphic designer reply to client emails quickly and accurately. When a client email is pasted in, it writes a short, polite reply (under 120 words) in a fixed format: a greeting with the client's first name, a brief body, a closing question asking for the next step, and a standard sign-off. It only uses the designer's real business terms: logo pricing starting at \$300 with 3 concepts, 2 free revision rounds, 5 working days of delivery after brief approval, a 50% deposit before work starts, and source files shared after final payment. It never invents prices, deadlines, or policies. It also follows set rules for tricky situations:

- It never starts work before the deposit.
- It never promises a deadline without an approved brief. It never offers discounts.
- It says the designer will check and get back to the client when a question isn't covered, then tells the designer what information is missing.
- It apologizes once and offers a clear fix when a client is unhappy.

Subject: Re: Logo for your yoga studio

Hi Priya,

Thanks so much for reaching out, and congratulations on your studio! I'd love to help bring its look to life.

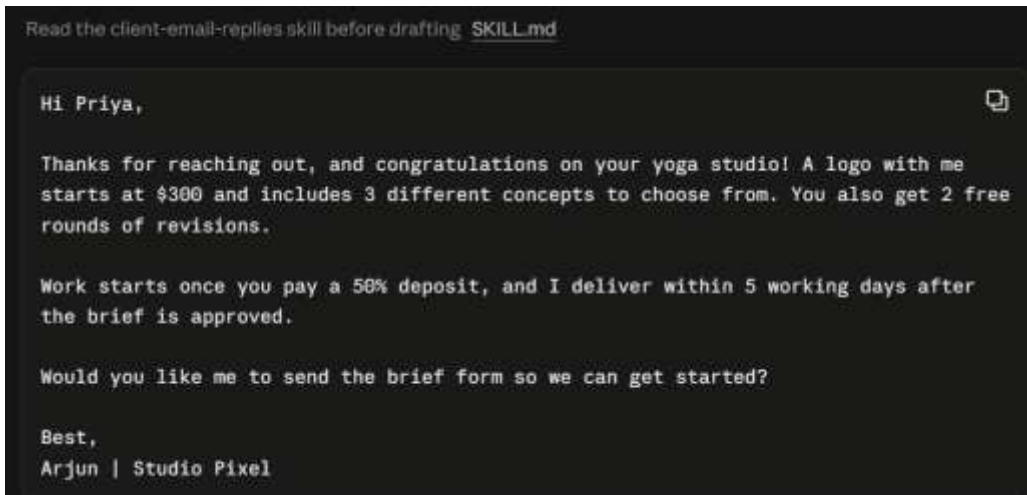

Here's how my logo package works:

Price: [YOUR PRICE]
Timeline: [X] business days from when we kick off
What's included: [e.g., 2-3 initial concepts, [X] rounds of revisions, final files in PNG, SVG, and PDF]

To get started, it would help to know a bit more about your studio: the name, the vibe you're going for (calm and minimal, warm and earthy, bold and energetic?), and any colors or styles you love or want to avoid. If you have a few logos you admire, feel free to send those along too.

If this sounds good, just let me know and I'll send over the next steps. Happy to answer any questions in the meantime!

Hi Priya,

Thanks for reaching out, and congratulations on your yoga studio! A logo with me starts at \$300 and includes 3 different concepts to choose from. You also get 2 free rounds of revisions.

Work starts once you pay a 50% deposit, and I deliver within 5 working days after the brief is approved.

Would you like me to send the brief form so we can get started?

Best,
Arjun | Studio Pixel
